- List of employees and their job titles
- Timesheets for the period when costs were incurred
- Hourly rate or pay of these employees

Personal Protective Equipment

Guidance: Notice of Intent

The bottom of the Notice of Intent Form reads: “If by September 30, 2020, a municipality has not provided an application for or a **plan of use for its remaining allocation, the County will rescind the municipality’s remaining allocation.”**

The Notice of Intent itself is a Plan of Use: to use all the funding allocated, a portion of it, or none.

Please submit your NOI by September 30!

- Sick Leave Guidance
- Payroll Documentation Requirements
- IGA & Resolution
- Example Resolution

Guidance: Application Logistics

Logistics questions are centered around authority and timing for submitting the application.

Who should submit the application & supporting requirements?

- Any employee associated with the Suburban Municipality who is tasked with compiling the application may submit an application
- Please copy a second contact on the application should the sender become unavailable (go on vacation, etc.)

When should I apply for funding?

- If you have FEMA-eligible expenses, apply there first!
- Cook County CRF Applications are being processed on a rolling basis
- The earlier your municipality submits its application for eligible expenses, the sooner it may be reimbursed

Guidance: Sick Leave

Sick Leave is eligible for reimbursement through the CRF...up to a point

How do I know if I can be reimbursed for **paid sick leave** for a Federal, State, or local quarantine or isolation order related to COVID-19?

For purposes of the Families First Coronavirus Response Act (FFCRA), a Federal, State, or local quarantine or isolation order includes quarantine or isolation orders, as well as shelter-in-place or stay-at-home orders, issued by any Federal, State, or local government authority that cause you to be unable to work (or to telework) even though your employer has work that you could perform but for the order.

- Applies regardless of whether the quarantine was in response to workplace or personal exposure
- Up to **80 hours sick leave** (made available through FFCRA) is eligible for reimbursement through CRF; documentation can include your FMLA Policy, COVID-19 Sick Leave Policy
- Families First tax credit isn't applicable to public entities

A Closer Look: Payroll Documentation Requirements

Per the Treasury Guidelines: A local government may presume that payroll costs for public health and public safety employees are payments for services substantially dedicated to mitigating or responding to the COVID-19 public health emergency, unless the chief executive (or equivalent) of the relevant government determines that specific circumstances indicate otherwise.

What documentation is required for payroll expenses for **Public Health & Safety workers**?

- List of Employees & Job Titles
- Timesheets
- Hourly rates or pay

What documentation is required for **non-public health & safety staff** whose time became substantially dedicated to COVID-19?

- List of Employees & Job Titles
- Timesheets of hours dedicated to responding to COVID-19
- Description of activities relating to COVID-19
- Hourly rate

A Closer Look: IGA & Resolution

IGA questions primarily focus on the associated Resolution required.

What is an **IGA**?

- The Inter-Governmental Agreement (IGA) specifies the terms and conditions associated with the County providing CRF funding to the Subrecipient (a Suburban Municipality, for example)

Notes:

- Elected official must sign (usually a Mayor)
- Fill in all date fields except for those specified for County approval
- Fill in last page (“Attachment B”)

What is the required **Resolution** associated with the **IGA**?

- In the requested Resolution, the Village’s legislative body (usually a Board) authorizes the Village’s elected official to enter into the IGA with Cook County
 - A municipality should follow typical protocols associated with its legislative resolutions and provide the County with a document for its records
 - The documentation can be the Village Board’s approval of the IGA

A Closer Look: Example Resolution

Multiple questions have been submitted requesting an example Resolution.

Where can I find an example Resolution?

- The Village of Schaumburg passed a Resolution allowing the Village to enter into an IGA with Cook County for CRF funds, and this example is in the public domain here: <https://lfweb.schaumburg.com/weblink/DocView.aspx?id=1078134&searchid=e0d737d1-4242-4d7c-bbe6-3ae52b7a4c9a&dbid=0>
- Again, your resolution should follow the required protocols associated with your suburban municipality legislative resolutions
