

**COOK COUNTY BOARD OF ETHICS
REQUEST FOR EXEMPTION FROM
COOK COUNTY POST-EMPLOYMENT RESTRICTIONS**

An official or employee seeking to take a new employment opportunity (which includes work as an independent contractor) must complete and submit this form to the Cook County Board of Ethics as soon as practicable upon learning of a specific opportunity for employment that, absent a waiver, would violate the post-employment rules in Section 2-580 of the Cook County Ethics Ordinance. Failure to provide all requested information will result in denial of any requested waiver.

Under Section 2-580(f) of the Ethics Ordinance and Section 9.8 of the Board's Amended Rules and Regulations, waiver shall be granted only if the petitioner has met his or her burden to demonstrate that: (1) The prospective employment would not result in a conflict of interest or disclosure of the County's confidential information, and (2) Any potential appearance of impropriety raised by such employment is outweighed by the grounds for waiver.

The Board may impose conditions upon the grant of waiver to safeguard against actual or potential conflicts of interest, disclosure of the County's confidential information, and/or an appearance of impropriety. Officials or employees seeking waiver shall not commence any employment or work opportunity in violation of Section 2-580 prior to obtaining a waiver. The Board will maintain any request for waiver as confidential while the petitioner remains an official or employee of Cook County unless petitioner requests otherwise or the petitioner attempts to enter into employment that would violate Section 2-580.
