

## 2016 LOW COST RABIES CLINICS

Unfortunately, we are still dealing with the highly infectious Canine Influenza Virus. We have had to eliminate some indoor venues. No microchips will be given at vaccine clinics. At all events, the rules apply to protect your pet and other pets:

- No allowing animals to socialize
- No retractable leashes
- Space animals three (3) feet apart from other pets not in your household
- Any animal displaying illness will be relocated to a greater distance
- Bring your own muzzles if necessary
- All animals have to be controlled by the owner or designated handler greater than 18 years of age for the vaccine. Animal Control personnel will not be able to assist or use their equipment to subdue the animal.
- All animals must be on a leash or in a carrying case. Animals must be removed from the carrying cases for vaccinations.
- There are no indoor facilities in which the vaccine may be given. The veterinarian will not give the vaccine in your vehicle.
- Bring bags with you for poop removal, we cannot predict wait time.

**YOU MUST HAVE A PICTURE ID WITH YOU FOR THE VACCINE TO BE GIVEN. WE ONLY ACCEPT CASH OR CHECKS. WE DO NOT ACCEPT CREDIT OR DEBIT CARDS.**

Hours of operation are from 10:00 am – 2:45 pm.

	\$21.00	3 Year Rabies Vaccine (Dogs and Cats with proof of previous rabies vaccinations)
