2015 BUYING PLAN

The mission of the Cook County Office of the Chief Procurement Officer (OCPO) is to acquire quality goods and services for Cook County agencies at the best price by promoting competition and implementing best practices.

To achieve this goal, OCPO is committed to implementing open and transparent procurement methods to promote vendor participation while lowering costs to taxpayers.

As a public agency, the Office of the Chief Procurement Officer welcomes all vendors to participate in the open and competitive process. This buying plan contains hundreds of great opportunities for vendors to do business with Cook County.

This buying plan includes information on numerous County projects and needs. You will find useful information on the department requesting proposals, project descriptions, value of contract, advertising date and various Minority, Women and Veteran Business Enterprise subcontracting opportunities.

OCPO encourages all potential vendors to use the information provided in this plan to assist them in future procurement efforts. Please contact Procurement staff or visit our website at cookcountyiil.gov/procurement with any questions regarding procurement and contracting procedures.

Dear Vendor:

Thank you for your interest in doing business with Cook County. Cook County has roughly 5.2 million residents, 22,000 employees and a \$4 billion budget. We have a lot to be proud of and I believe vendor relations are essential to ensuring successful operations.

We are committed to providing vendors with helpful tools and resources to easily navigate the procurement process. We are also striving to remove barriers to businesses and increase accessibility. This 2015 Buying Plan provides important information designed to make working with the County as easy as possible.

As a vendor you play an integral part in the County's everyday operations. From the Medical Examiner to the Clerk of the Circuit Court, vendors help our departments provide important services to our residents. Whether it's manufacturing life-saving equipment used by hospitals or technologies that modernize our criminal justice system, vendors are playing an important role in the County.

Since taking office, I have challenged my procurement office to be transparent, considerate, prompt, and accessible. I am proud of the progress we have made over the last four years. We have implemented an online salvage auction that has generated over \$100,000 in a couple short months, hosted numerous vendor fairs, expanded our use of the web and continue to look for innovative ways to encourage business throughout the County.

Thank you again for your interest in doing business with the County. I hope you find this buyers' guide a useful tool. Please do not hesitate to contact our procurement office if we can ever be of any assistance. I promise to continue working to make this County an even better place to do business and live.

Sincerely,

Toni Preckwinkle
Cook County Board President

Since taking office, I have challenged my procurement office to be transparent, considerate, prompt, and accessible. I am proud of the progress we have made over the last four years.

HELPFUL TIPS ON DOING BUSINESS WITH COOK COUNTY

1. Register online to download bid documents and receive email alerts when new procurement opportunities are posted.
2. Be sure that documents are signed by an authorized member of the firm. Please provide the legal name of your company if you are doing business under an assumed name or a d/b/a (Doing Business As) name.
3. Read documents thoroughly and follow all instructions and conditions. Failure to do so could result in rejection of your bid/proposal.
4. Submit your bid by the specified closing date and time.
5. Include Bid Deposit with bid response, if required.
6. Include supporting literature with bid response or quote, if required.
7. Acknowledge receipt of any addenda, and include with bid response, if applicable.
8. Deliver items as bid or quoted. No substitutions will be accepted unless otherwise noted.
9. Ask questions prior to bidding to clear up any doubt.

Office of Contract Compliance representatives are always on hand at vendor workshops to provide useful information on the County's commitment to certified minority and women owned businesses.

The mission of the Office of Contract Compliance is to certify Minority-, Women-, Veteran-, and Service-Disabled Veteran-owned Business Enterprises (MBE/WBE/VBE/SDVBEs), to ensure that all County purchases comply with the Cook County Minority- and Women-owned Business Enterprise Ordinance.

Compliance is working to educate County User Departments and Vendors on the importance and the process of complying with the Ordinance, encourage greater inclusion of MBE/WBE and VBEs on County procurements, and collaborating to monitor the success of the process.

Monthly workshops are available for potential MBE/WBE/VBE vendors through the Office of Contract Compliance. The workshops provide assistance to vendors in the preparation of documents required for Certification with Cook County, in addition to providing information on the County's bidding process.

Those interested should contact the Office of Contract Compliance at (312) 603-5502 to register for the next workshop or visit www.cookcountyil.gov/supplier-diversity/ for more information.

2015 VENDOR WORKSHOPS

How to Submit a SUCCESSFUL Request For Proposal (RFP)

Most often, the County uses the RFP Process to find the best solution for the best value. Your proposal should focus on just that. What is your solution and why is your solution the best one at the best value? This workshop will give insight to vendors on how to submit the best proposal. *Workshops will be held on June 17, September 16 and December 16.*

Procurement Essentials – Governing Laws & Ordinances

This workshop will provide vendors with important information regarding ineligibility for County Transactions (i.e. child support, fraud, default, breach of contract, delinquent tax/fee payments, ethics, etc.) *Workshops will be held on June 24, September 23 and December 22.*

Job Order Contracting (JOC)

This workshop, presented in conjunction with The Gordian Group will provide vendors with essential information for those seeking to participate in the JOC Program. It further provided networking opportunities with prime and sub-contractors. *Workshops will be held on June 9, September 8 and December 8.*

Procurement 101: Doing Business with Cook County

This workshop will provide bidders with information regarding goods and services generally requested by Cook County Agencies as well as general information regarding the overall Procurement Process. *Workshops will be held on May 21, June 18, July 16, August 20, September 17, October 15, November 19 and December 17.*

Sale of County Surplus: What, When, Where and How?

This workshop will provide bidders with information regarding the County's sale of surplus items. Bidders will also learn how to navigate the Public Surplus Website as well as become familiar with the Terms and Conditions and Post-Award requirements. *This workshop will be held quarterly.*

For more detailed information on times and dates of vendor workshops please visit cookcountyil.gov/procurement.
