MUNICIPALITY DOES NOT HAVE AND OPEN BURNING ORDINANCE	

When the municipality does not have an open burning ordinance or is in unincorporated Cook County, the CCDEC ordinance, section 30-387-B (3) will be followed:

OPEN BURNING OF LANDSCAPE WASTE, INCLUDING LEAVES, IS ALLOWED ONLY UNDER THE FOLLOWING CONDITIONS:

- 1) the burn is on the premises on which such waste was generated: and
- 2) when atmospheric conditions will readily dissipate contaminants: and
- 3) if such burning does not create a visibility hazard on roadways, railroad tracks, or airfields: and
- 4) open burning **is not allowed** in a municipality that has an ordinance that prohibits it, and **is not allowed** in unincorporated areas within 1,000 feet of a prohibiting municipality.

PERMIT: CCDEC **requires** an open burning permit for the burning of all types of landscape waste except leaves.
