Blue Access for Members

Blue Cross and Blue Shield of Illinois (BCBSIL) has a solid reputation for providing reliable, affordable health care benefit programs and customer service. Blue Access for Members, our secure member Web site, gives you immediate access to health care benefit information and easy-to-use tools.

Take charge of your health with the Personal Health Manager*

- Find practical information about specific conditions and self-management tools for common health problems
- Take a health risk assessment
- Create a personal health record, receive targeted wellness information and set up reminders about doctor appointments and screenings

Take full advantage of your health care benefits

- Check the status of a claim
- Confirm your coverage and benefit coverage for your dependents
- Use the Provider Finder® to locate a contracting doctor or hospital

Make wiser health care decisions

- Use the Hospital Comparison Tool to compare hospitals' outcome data
- Use the Treatment Cost Advisor to obtain estimated costs of various medical procedures

*The Personal Health Manager is not available to some health care plans. Check with your benefits manager to learn what your plan offers.

It's Easy to Get Immediate Access

All you need are your group and identification numbers (found on your BCBSIL ID card).

Help Desk

If you have difficulty accessing the site, call our Help Desk toll free at (888) 706-0583, Monday – Friday, 7 a.m. to 10 p.m. (CT), Saturday, 7 a.m. to 3:30 p.m. (CT).

My Health

My Health Highlights
 My Health is your online resource for health and wellness information and tools. Use the online tools below to help manage your health and make more informed health care decisions.

Personal Health Manager

- Complete your Health Risk Assessment
- Create a personal health profile
- Receive targeted wellness information

Visit our My Health section for tools and information to help you make informed health care decisions.

It's easy to find what you need Explore Blue Access for Members

1

My Health

Find information and tools to help you make more informed health care decisions. See Page 5 for more details.

2

My Coverage

Confirm who is covered under your plan, view your benefit highlights and get answers to frequently asked questions. See Page 7 for more details.

3

Visits & Claims

View claim details, including payment amounts, a summary of your claims by date of visit, names of doctors and dentists, total charges and status. BlueEdgeSM members can view information about their spending accounts.

4

Doctors & Hospitals

Use the Provider Finder to locate a network doctor or hospital and get driving directions.

5

News & Updates

Learn about updates to your health care benefit plan and enhancements to this site.

6

Message Center

Receive notification of pending and finalized claims via e-mail.

7

Quick Links

Request a replacement ID card, print a temporary ID or download a medical or prescription drug claim form.

8

Contact Us

Submit a question to Customer Service and get a return phone call.

9

User Profile

Update your e-mail address and choose to receive claim statements via e-mail, instead of through the mail.

10

Help

Look up definitions of health insurance terms and get answers to frequently asked questions.

Take charge of your health with My Health

1

Personal Health Manager*

- Complete a Health Risk Assessment, set up a personal health record, receive e-mails with targeted wellness advice, set up reminders about medical appointments and prescription refills.
- Read about current health and wellness topics and research specific conditions that are important to you, such as arthritis, diabetes or high blood pressure.
- Use interactive health and lifestyle tools to help you lose weight, start exercising or quit smoking.
- Get e-mail answers to your health-related questions with Ask A Nurse, Ask A Dietitian, Ask A Trainer and Ask A Life Coach.
- Use easy decision-making tools to better understand your medical treatment options.
- Earn Blue PointsSM for engaging in healthy behaviors and redeem them for reward items.**

2

Compare Hospitals

Compare hospitals' outcome data based on specific diagnoses and procedures. Quickly compare hospital performance factors such as length of stay, complications and how many procedures the hospital has performed.

3

Treatment Cost Advisor

Obtain cost estimates for common health care services based on age, gender and where you live.

*If your plan does not include the Personal Health Manager, you can access health and wellness information and take a health risk assessment via the "My Health" tab.

**Beginning January 2007.

Understand your health benefits with My Coverage

1

Summary

Confirm your coverage, dependents' coverage and the effective date of your health care benefit plan.

2

Coverage Details

View who is covered and additional information about your health care benefit plan.

3

Prescription Drugs

If your prescription drug coverage is provided by Blue Cross and Blue Shield, you can locate a pharmacy, obtain mail service forms and order refills online. You can search the drug formulary, get information about generic drugs and obtain the cost of your prescription.

4

Dental

Access information about BlueCare® Dental plan advantages, overview of services, the BCBSIL credentialing process for dentists, or download a dental claim form.

5

Plan Information

Review general information about your health care benefit plan, including information about your coverage, emergency care and coverage away from home.

6

Coverage FAQs

Get answers to frequently asked questions about health care coverage such as receiving emergency care, the availability of generic drugs, how to find a doctor or hospital and when to file a claim.

7

Related Information

Link directly to important information and resources, including the Provider Finder and "My Health" wellness tools.

In addition to the secure Blue Access for Members site, you'll find helpful services on the public, non-secure section of www.bcbsil.com. Available to members and non-members, these services include:

Doctors & Hospitals

Use the Provider Finder to see if your doctor or dentist is in one of the networks, and find thousands of contracting doctors, dentists, hospitals or other health care providers.

Health Plan Decision Tools

Use this tab in the Members section to find tools to help you make health plan and provider decisions.

Which Plan Is Right For Me?

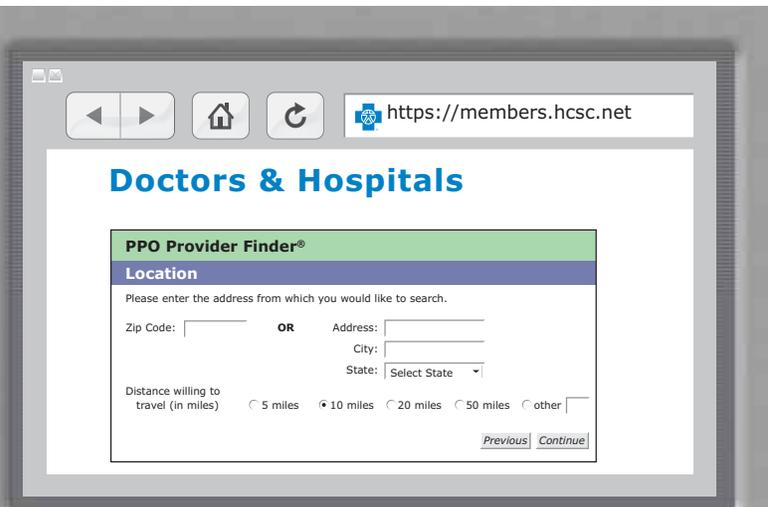

Take a short survey to identify the type of health care benefit plan that best meets your needs and preferences.

Health Plan Cost Estimator

Complete a health profile to obtain estimated annual health costs to help you decide the preferred type of health plan for your budget.

Blue StarSM Hospital Report

Find performance information on 93 contracting, urban hospitals.
