Re: Response to Question about Unpaid Holidays

Dear Commissioner Deer:

Please find below a response to a question raised on October 20, 2017 with regards to savings from having an unpaid holiday.

The value of one singular unpaid holiday calculated as a singular regular work day is estimated at \$6.3 million including union and nonunion employees.

Please let me know if you have any additional questions or if an item requires additional clarification.

CC: John P. Daley, Chairman Committee of Finance
