GREETINGS AND WELCOME . . .

to the **2020 Cook County Government Buying Plan.**

The Office of the Chief Procurement Officer of Cook County (OCPO) is responsible for procuring the goods, services, and construction necessary for the Offices under the President of Cook County and Cook County agencies. The OCPO accomplishes this through an open, competitive and transparent procurement process which seeks to leverage overall County volume to lower costs for the taxpayers of Cook County.

As part of the OCPO's efforts to achieve a competitive procurement process, we undertake outreach efforts including publishing the annual Buying Plan. The Buying Plan is meant to provide insight into the OCPO's operations. It is also a resource that can answer questions about procurement at Cook County and help parties interested in doing business with Cook County plan for future solicitations. Minority and Woman Owned Business Enterprise participation in County contracts is important, which is why in this plan you will find information from the County's Office of Contract Compliance and a list of the Assist Agencies who you may liaise with for MBE/WBE participation.

In addition to procuring goods, services and construction, the OCPO also administers the County's surplus auction. You will find information regarding what equipment and material is auctioned and how to participate inside this plan.

This Buying Plan is not the only resource regarding procurement at Cook County the OCPO We encourage you to also visit our website at cookcountyiil.gov/procurement. Thank you for your interest in doing business with Cook County.

Sincerely
Raffi Sarrafian
Chief Procurement Officer

WELCOME TO COOK COUNTY

Dear Vendor,

Thank you for your interest in doing business with Cook County. The goods and services offered by the vendor community to our County agencies, departments and separately elected officials, are crucial to improving the lives of our residents. From technology to modernize our justice system to transportation infrastructure improvements, collaboration between the County and its vendors is key to making Cook County a better place to work and live.

In my administration's drive to improve services and be more transparent and accountable, our procurement office has worked to streamline the process and make it more open and accessible to vendors and residents. By embracing a more transparent and visible procurement process, vendors, particularly small and minority/women owned businesses, have greater opportunities to obtain information and resources. This Buying Plan and the many workshops the procurement office provides exemplify my administration's efforts to make the County an attractive business partner.

Should you have any questions regarding this Buying Plan or the procurement process please feel free to contact the procurement office. Thank you again for your interest in doing business with Cook County. We look forward to working with you.

Sincerely

Toni Preckwinkle
Cook County Board President

SOLICITATION DOWNLOAD LIST

On our solicitation website we offer what we call a download list for each solicitation. This list displays in real time the names and contact information of each person and firm that has downloaded the solicitation. This information is valuable for several reasons:

- Potential M/WBE firms can use this information to contact potential prime vendors to partner with to meet the M/WBE goals on the solicitation.
- As a firm interested in a solicitation, you will be able to view all others who have downloaded the solicitation and are interested to see who your competition will be.
- This information is exportable into several formats which gives you the ability to filter, sort, and search by whatever criteria is needed.

CONTRACT COMPLIANCE

Office of Contract Compliance representatives are always on hand to address any vendor questions and hosts vendor work-shops to provide useful information on the County's M/WBE Program and M/WBE and V/SDVBE cerHficaHon process.

The mission of the Office of Contract Compliance (OCC) is to certify Minority, Women, Veteran and Service Disabled Veteran-owned Business Enterprises (MBE/WBE/VBE/SDVBEs), to ensure that all County purchases comply with the Cook County Minority and Women-owned Business Enterprise Ordinance.

OCC works to educate County Using Agencies and Vendors on the importance and the process of complying with the Ordinance, encourages greater inclusion of MBE/WBE and V/SDVBEs on County procurements, and monitors the success of the program. All applications for certifications must be done online through OCC's Diversity Management System. OCC hosts monthly workshops for potential MBE/WBE/VBE/ SDVBE vendors to provide assistance to vendors in the preparation of documents required for Certification with Cook County, in addition to providing information on the County's bidding process.

Those interested should contact the Office of Contract Compliance at (312) 603-5502 to register for the next workshop or visit www.cookcountyil.gov/service/mbewbevbe-certification to start an application.
