

NATURE DOES THE INVITING.
WE JUST BRING THE CREW.

The Forest Preserve Foundation

supports programs and activities that give everyone access to the natural treasures of Cook County.

With your support, these efforts make life better for us all.

As the philanthropic partner to the Forest Preserves of Cook County, the Foundation has granted more than **\$2.5 million** to support programs that conserve and restore natural habitats, provide paid skills-building opportunities for young people, and assist with memorial tributes in the Forest Preserves.

Our Impact

\$2.5 million lifetime investment in our mission

505 next generation environmental leaders supported via Conservation Corps

866 acres restored via ecological restoration in response to climate change
