TO: Unincorporated Maine Township Residents
FROM: Cook County Building & Zoning Department
RE: New Single Family Construction, substantial addition construction and all other construction projects in Unincorporated Maine Township

Please be advised that effective May 25, 2012, we will not accept any permit applications for new construction or substantial room addition construction in unincorporated Maine Township until the following documents are submitted with the permit application:

1. Approved (signed, sealed and dated) site engineering/grading drawings (six sets) from Spaceco Inc. Approval from the Spaceco Inc. will constitute to us Maine Township's approval.

NOTE: If the scope of work does not constitute an engineering review, we will need a waiver from the engineering company attesting to the fact.

2. Approval (signed and dated) permit or letter for water and/or sanitary sewer service.

NOTE: If the work does not constitute or require a water or sanitary service permit, we will need a waiver from the service provider.

3. Driveway Permit (if applicable) from the Maine Township Highway Commissioner.

Please Note: You must first secure site engineering approval from the Maine Township Road District Office at 1387 Redeker Road, Des Plaines, 847-297-5225.

You can apply for any other permits except the aforementioned and submit the Maine Township permit or waiver while permit is being processed.
