BUSINESSES REDUCING IMPACT ON THE ENVIRONMENT (BRITE) PROGRAM

Business Eligibility Requirements

Currently, our assessments and grants are available to businesses that meet each of the following criteria:

- 500 or less full-time employees
- Dry cleaners, auto body or auto repair shops, metal finishers, or food and beverage manufacturers
- Located in suburban Cook County
- Negatively impacted/proven loss of revenue from the pandemic
- Been in operation prior to 2020

Any business that meets each of the criteria above can fill out our interest survey- <https://bit.ly/BRITE-survey>.

A member from our team will reach out to schedule an assessment or provide additional energy-saving measures and financial incentives to create a greener, healthier work environment.

Any questions about eligibility can be directed to BRITE@cookcountyil.gov or by calling 312-603-8248.
