

Healthy Homes for Healthy Families

A Cook County and Elevate Initiative

Embrace a Healthier Home with Free Home Upgrades

Healthy Homes for Healthy Families promotes the health and safety of families by providing free whole-home upgrades that aim to make homes safer, healthier, and more efficient.

The program provides a variety of home upgrades at no cost to income-eligible owners and renters of single-family homes or 2-4-unit residential buildings in suburban Cook County. Upgrades aim to improve the health and safety of your home and may help you save on your energy bills or even increase the value of your property.

Every Home Has Different Needs

Healthy Homes for Healthy Families works with you to determine what upgrades are needed in your home. You may be eligible to receive the following:

- Removal or Treatment of Health Hazards
- Lead Remediation
- Structural Repairs
- Plumbing Repairs and Water Conservation Upgrades
- Home Insulation
- Installation of High-Efficiency Appliances
