- Policy: Cook County Board of Commissioners passed the Cook County Paid Leave Ordinance Procedural Rules on March 14, 2024. Item #24-1181. Amendment passed to the Cook County Paid Leave ordinance which temporarily exempts school and park districts from the Ordinance until January 1, 2024. Item #24-1233. Substantive and Procedural Rules governing the Cook County Human Rights Ordinance discussion on circumstances which a Respondent would not be served when a complaint is dismissed for procedural defects. This change is responsive to inquiries regarding potential worker retaliation for filing employment-related complaints. The State of Illinois is currently considering SB 3680 and HB5314 which would make it unallowable to have crime free and nuisance free ordinances at the municipal level. The Cook County Commission on Human Rights has submitted a statement in support of this sentiment. The state of Illinois is also considering HB5345 which would amend the state's minimum wage law to remove the tips minimum rate. This would have direct implications for the Commission's Minimum Wage Ordinance.
- Outreach: Update on events and trainings attended to continue departmental efforts to spread awareness of Cook County Human Rights and Ethics ordinances and protections. Specifically training on the Cook County Paid Leave Ordinance, Fair Housing and the Just Housing Amendment.
