SUMMARY

The Cook County Department of Planning and Development within the Bureau of Economic Development (the “County”) currently receives Community Development Block Grant (CDBG) on an annual entitlement basis from the U.S. Department of Housing and Urban Development (HUD). The County proposes new CDBG funded activities below to better meet community development needs in suburban Cook County. This requires Substantial Amendments to amend the 2023 CDBG Capital Improvement Project. This document, consisting of a narrative as well as required attachments, constitutes the formal Substantial Amendments to HUD. These amendments will advance the County’s ongoing efforts to expend its CDBG funds expeditiously.
