## JOB ORDER CONTRACTING (JOC) OUTREACH EVENT

### WHAT IS JOC?

Job Order Contracting (JOC) is a construction delivery method used to expeditiously procure remodeling and renovation projects through firms under contract to deliver projects in a timely manner.

### WHY ATTEND?

This is a contract that the County will advertise in the 4th Quarter 2021. Only successful bidders will be allowed into the program.

### WHO SHOULD ATTEND?

Construction professionals of all types and trades interested in contracting or sub-contracting with Cook County Government on projects similar to the ones listed below. Please attend one of the listed meetings; at this meeting you will learn more about Job Order Contracting and the upcoming opportunities for your business.

The County promotes the inclusion of small businesses, minority- and women-owned business enterprises. This rebid of the JOC Program is structured to maximize the participation of these types of small businesses. These meetings will also be an opportunity for primes and subs to make contact with each other in advance of the bidding.
