**Section 1.06.** The Original Agreement is hereby amended by inserting the following Sections 18 and 19 after the existing Section 17:

Section 18. EMMA Postings. In the event the County files with EMMA this Agreement, the Bond Indenture, the Bonds or any description of the material terms thereof or notice of any agreement to covenants, events of default, remedies, priority rights or other similar terms, either voluntarily or as required pursuant a continuing

disclosure agreement or Rule 15c2-12 promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the “Rule”) (each such posting, an “EMMA Posting”), the County shall (i) provide the Purchaser with a copy of each EMMA Posting prior to submitting or posting on EMMA and (ii) shall not file or permit the filing of any EMMA Posting that includes Confidential Information. The County acknowledges and agrees that although the Purchaser may request review, edits or redactions of such materials prior to filing, the Purchaser is not responsible for the County’s or any other entity’s (including, but not limited to, any broker-dealer’s) compliance or noncompliance (or any claims, losses or liabilities arising therefrom) with any continuing disclosure agreement or any applicable securities or other laws, including, but not limited to, those relating to the Rule. Section 19. Alternate Rate. Upon the occurrence of a LIBOR Phase-Out Event (as defined below), the Purchaser and the County agree to use their best efforts to select a mutually agreeable alternate index to be used in replacement of the LIBOR Index Rate that complies with current proposed or final safe harbor regulations of the Internal Revenue Service, which may be the Secured Overnight Financing Rate (“SOFR”), and to amend the Bond Indenture to include appropriate modifications to implement such new rate mode into the Bond Indenture. Any such amendment to the Bond Indenture shall be in accordance with Article IX of the Bond Indenture and will require the delivery of a Favorable Opinion of Bond Counsel as set forth in Section 9.02 of the Bond Indenture. For the avoidance of doubt, the occurrence of a LIBOR Phase-Out Event and the amendment of the Bond Indenture to implement a new alternate rate mode shall not be construed as to require the County or the Purchaser to convert to such new rate mode and any subsequent conversion to such mode shall be in accordance with Section 2.04(d) of the Bond Indenture.

For purposes of this Section 19, “LIBOR Phase-Out Event” shall mean (i) the administrator of the LIBOR Index no longer publishes such rate or has otherwise discontinued the LIBOR Index; or (ii) the Purchaser has determined that deposits in United States dollars are not being offered to banks in the London interbank Eurodollar market for the principal amount of the Bonds or that reasonable and adequate means do not exist for ascertaining the LIBOR Index with respect to the Bonds.
