

Cook County Solar Schools Grant Process Details

1. Apply for Illinois Clean Energy Community Foundation's [K-12 Solar Schools grant program](#)
2. Apply for Cook County's Solar Schools grant program [here](#)
3. If/when your grant application has been accepted by the Illinois Clean Energy Community Foundation (ICECF), send the ICECF acceptance letter to environment@cookcountyil.gov as that is a pre-requirement for eligibility for Cook County's Solar Schools grant.
4. If selected for the grant program, Cook County will reach out to you with a letter of acceptance, details of the grant process and the final reporting process.
5. As this is a reimbursement grant, after installation has occurred and the Solarbration is complete, submit Final Report with attached invoices to receive the grant funding.
