2.9 DEMOTIONS - UNION PAY PLANS

The following shall apply to Demotions from one grade to a lower grade:

- (a) An employee demoted to a Position in a lower salary grade shall have the rate of pay or salary adjusted in the new Position to the same rate of pay of the new salary grade as in the salary grade from which the employee is demoted. The employee's anniversary date does not change.
- (b) An employee promoted to a job in a higher salary grade and subsequently demoted to a job in a lower salary grade shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which they were promoted and had never received the Promotion. In such cases, the Anniversary Date of the employee does not change.

2.10 DEMOTIONS – NON-UNION PAY PLANS

The following shall apply to demotions from one grade to a lower grade:

- (a) An employee demoted to a Position in a lower salary grade shall have the salary adjusted in the new Position to the rate that is equal to two (2) steps per grade lower than the current step but not lower than the lowest rate of the grade for the new Position. The employee's Anniversary Date does not change.
- (b) An employee promoted to a Position in a higher salary grade and subsequently demoted to a Position in a lower salary grade shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which they were promoted and never received the Promotion. In such cases, the Anniversary Date of the employee does not change.

2.11 RECLASSIFICATION OF POSITIONS

An employee whose Position is reclassified to a lower Classification* shall continue to receive compensation at the same rate received immediately prior to Reclassification. Such action shall not change the employee's Anniversary Date.* If the salary rate received immediately prior to Reclassification is less than the last step rate of the lower Classification, the employee shall be entitled to further step advancement.

An employee's salary may not align to a salary rate on the new lower grade. In such cases, the employee will receive the rate of pay closest to that received immediately prior to the Reclassification that does not result in a decrease in pay and will advance to the next step

of the new grade that provides a salary increase upon the employee's Anniversary Date.

An employee whose Position is reclassified to a lower grade and whose salary exceeds the maximum salary rate of the lower grade shall remain at the same salary received prior to the Reclassification, not be eligible for a longevity bonus and be frozen at such rate until the applicable salary range of the new grade is adjusted over time and the employee is placed on a step which exceeds the frozen salary on the employee's Anniversary Date.

An employee whose job is reclassified to a higher Classification* shall be placed in the first step of the higher grade which provides a salary increase not to exceed two steps above the salary received at the time of the Reclassification. Such action will change the employee's Anniversary Date. In all cases of Reclassification, the employee shall receive at least the first step of the grade to which the Position is reclassified. In no case shall an employee be paid below the minimum salary rate of the higher graded Position.

An employee whose job is reclassified to a Classification in the same grade shall be placed in the same step the employee was assigned to prior to such Reclassification and shall retain the same salary received in the prior Classification.

*If an employee's Position has been previously reclassified within the same fiscal year or the employee has been in the reclassified Position for less than six months, a written letter of justification is required for final approval of the Reclassification by the Chief of BHR

2.12 UPGRADING OF POSITIONS

Employees whose Classifications are upgraded shall be placed in the first step of the new grade which is at least the same as the salary the employee was receiving prior to the Classification being upgraded. In all cases of upgrading, the employee shall receive at least the first step of the new grade and shall retain the Anniversary Date held prior to the upgrading. Upon assignment to the higher grade, employees shall be required to work a minimum of one year at each step, except where elsewhere provided for in the respective Salary Schedule. In no case shall an employee be paid below the minimum salary rate of the higher graded Position.

2.13 DOWNGRADING OF POSITIONS

Employees whose Classifications are downgraded shall be placed in the first step of the new grade which is at least the same as the salary the employee was receiving prior to the Classification being downgraded. In no case shall an employee be paid below the minimum salary rate of the lower graded Position. The employee's Anniversary Date does not change.

2.14 SALARY RATES BASED UPON FULL-TIME AND PART-TIME EMPLOYMENT

Unless otherwise defined in the applicable collective bargaining agreement, the salary rates prescribed in the Salary Schedules are fixed on the basis of Full-Time service for normal

work weeks of forty (40) hours. For Part-Time service of less than 40 hours per week, the bi-weekly and annual rates in the Salary Schedules are prorated to match the hours worked.

For positions classified as Exempt under the Fair Labor Standards Act (FLSA), the normal work week of 40 hours generally applies, but the compensation is intended to be appropriate for the class regardless of variations in the time that may be required to satisfactorily fulfill the responsibilities of the Positions. Employees in Positions classified as FLSA non-exempt are eligible for overtime pay or compensatory time for hours worked in excess of the normal work week of 40 hours. FLSA non-exempt employees must receive their supervisors' approval prior to working overtime. FLSA exempt employees are not eligible for overtime pay.

2.15 PREVAILING RATE POSITIONS

A prevailing rate Position is hereby defined as one for which the rate is established under the acceptable evidence of the wage prevailing in industry. Such positions are usually craft, labor or trade Positions. All such positions are assigned to Grade X in the Classification and Compensation Plan Schedules.

2.16 SALARIES AND WAGES OF EXTRA EMPLOYEES

Titles and grades of employees on the Extra Account (501140) shall be the same as those of the Regular Account (501010), unless authorized in advance by the Chief of BHR. All such Positions shall conform to the provisions of these rules.

2.17 CONTINUITY OF SERVICE

Absence from County service due to leave without pay for periods in excess of 30 calendar days, all suspensions, layoffs for more than 30 calendar days but less than one year, and all absences without leave shall be deducted in computing total continuous service and will effect a change in the anniversary date.

Seasonal employment of less than 120 calendar days in any calendar year shall not be credited toward Continuity of Service.

All discharges and resignations not followed by reinstatement within one (1) year shall interrupt continuous service and shall result in the loss of all prior service credit. Employees who have not experienced an interruption in Continuous Service shall establish credit for such prior service by filing, with the Chief of BHR, a certificate of such prior service from such former place or places of employment.

2.18 GENERAL PROVISIONS

(a) All changes in pay shall be implemented the first full pay period following the effective date of the change.

- (b) Any change in the job Classification title terminology not involving a change in the major duties of the job will not affect the status of the employee, including eligibility for increases within a specific salary grade.
- (c) Notwithstanding these provisions as set forth, the Board of Commissioners of Cook County may in its discretion, limit the amount of salary increases, step advancements, cost of living increases or non-compounding cost of living allowances for any or all employees or provide for salary rates in excess of those prescribed.

4. In addition to the above, any other day or part of a day shall be considered a holiday when so designated by the Board of Commissioners of Cook County.

(b) Sick Leave

1. Sick leave may be used for illness, disability incidental to pregnancy or non-job-related injury to the employee; appointments with physicians, dentists, or other recognized practitioners; or for serious illness, disability, or injury in the immediate family of the employee (see Definitions).
2. Sick leave is granted by Cook County because an employee is unable to perform assigned duties, or because the employee's presence at work would jeopardize the health of co-workers. Accordingly, sick leave shall not be used for any purpose other than to cover an absence related illness and shall not be used as additional vacation leave.
3. All eligible salaried employees, other than seasonal employees, shall be granted sick leave with pay at the rate of one working day for each month of service. Sick leave accruals will be carried out in accordance with the bi-weekly payroll system. Employees must be in a pay status for a minimum of five (5) days in a pay period to accrue sick time in that period. 8. Upon returning to work, the employee shall provide to the BHR Personnel Services Manager a completed Return to Work Release Form.
9. The employee has the burden of establishing that an illness related absence was legitimate. Failure to provide such reasonable evidence or proof of illness may result in the denial of sick leave benefits, or revocation of benefits granted. The determination as to appropriateness of the sick leave will be made by the employee's supervisor. In addition to denial of sick leave benefits, where the circumstances indicate that the employee is abusing sick leave, disciplinary measures may be taken.
10. If, in the opinion of the Department Head (or Designee) the health of an employee warrants prolonged absence from duty after exhaustion of sick time, the employee will be permitted to use their vacation and/or personal days, if any, with the prior approval of the Department Head (or Designee).
11. The employee may apply for disability under the rules and regulations established by the Cook County Annuity and Benefit Fund.

13. If an employee is recalled from layoff status into the same or a new Position in the County Agency, as defined in the Budget Resolution, from which the employee was laid off, the employee shall receive the full benefit of the sick leave accrual severed from the employee at the time of layoff.

15 onward	20 working days	40 working days

2. Vacation accruals will be carried out in accordance with the bi-weekly payroll system. Employees must be in a pay status for a minimum of five days in a pay period to accrue vacation time in that period.
3. All individuals employed on a part-time work schedule of twenty (20) hours per week or more shall be granted vacation leave with pay proportionate to the time worked per pay period.
4. Employees may use only such vacation leave as has been earned and accrued provided the heads of the County offices, departments, or agencies may establish the time when the vacation shall be taken.
5. Any employee of the County of Cook who has rendered continuous service to the City of Chicago, the Chicago Park District, the Forest Preserve District of Cook County, the Metropolitan Water Reclamation District of Greater Chicago, agencies under the State of Illinois, including, without limitation, the University System, the Regional Transportation Agency, the Chicago Transit Authority and/or the Chicago Board of Education shall have the right to have the period of such service credited and counted for the purpose of computing the number of years of service as employees of the County for vacation credit only. See Rule 2.17, *Continuity of Service*.
6. In the event an employee has not taken vacation leave as provided under this section by reason of separation from service, the employee's unused accumulated vacation will be paid out following separation from service. In the event of death of an employee, the employee's spouse or estate shall be entitled to receive such unused accumulated vacation.
7. In computing years of service for vacation leave and vacation leave accruals, employees shall be credited with regular working time plus the time of duty

disability.

8. Any Cook County employee returning from military leave in accordance with the Military Service Policy shall be entitled to be credited with working time for each of the years absent due to military service. The employee's years of service for purposes of accrual of vacation time in the year of return to employment with Cook County shall be the same as if employment had continued without interruption by military service.

(d) Bereavement Leave

An employee will be entitled to three (3) normal days' pay of excused leave to attend a funeral, make arrangements, or grieve the death of a member of the employee's immediate family or household. Where death occurs and/or the funeral is to be held outside a one-hundred and fifty (150) mile radius from the Cook County Building, 118 North Clark Street, Chicago, Illinois, the employee will be entitled to a maximum of five (5) normal days' pay of excused leave.

The leave must be completed within 60 days after the date on which the employee received notification of death of the employee's child, immediate family or household member, unless otherwise approved.

Within 48 hours after returning to work, the employee shall provide to the Supervisor (or Designee) proof of death (e.g.: obituary or newspaper announcement), relationship to the deceased and attendance at the funeral. Failure to provide such supporting documentation may lead to discipline, up to and including discharge, and the employee may be required to reimburse the County for any payment received as a result of the bereavement leave.

Leave requested to attend the funeral of someone other than a member of an employee's immediate family or household may be granted, but time so used shall be deducted from the accumulated vacation, personal day(s) or floating holiday of the employee making the request.

Such personal days shall not be used in increments of less than one-half (1/2) day at a time, unless otherwise stated in the County's Time and Attendance Policy.
2. Employees entitled to receive such leave, who enter Cook County employment during the fiscal year, shall be given credit for such personal leave at the rate of one (1) day for each full fiscal quarter in pay status except that two (2) personal days may be used for observance of religious holidays prior to accrual, to be paid back in the succeeding two (2) fiscal

quarters. No more than four (4) personal days may be used in a fiscal year.

3. Personal days shall not be used as additional vacation leave, unless otherwise approved by the Supervisor. If the health of an employee warrants prolonged absence from duty, the employee will be permitted to combine personal days, sick leave, and vacation leave.
4. Personal days may not be used consecutively unless approved by the Department Head.
5. Personal days off shall be scheduled in advance to be consistent with operating necessities and the convenience of the employee, subject to Department Head approval.

Employees should contact the BHR Leave Coordinator with questions pertaining to Military Service Leave.

(i) Parental Leave

Eligible non-union County employees shall be granted parental leave as an

alternative to maternity/paternity leave, as outlined in the County's Parental Leave Policy. (a) **Personal Leave**

An employee not affected by the leave of absence rules as administered under a collective bargaining agreement may be granted a leave of absence, without pay, by the Department Head with the written approval of the Chief of BHR. Approval of personal leave will be based upon the operational needs of the department. Such leave of absence shall be limited to one month for every full year of continuous employment by the County, with a maximum of one year of leave. Personal leave shall not be granted in increments of less than one month.

During a personal leave, the County shall not pay any insurance benefits; however, the employee may retain insurance benefits at the employee's own cost. An employee granted a leave of absence shall be eligible, when such leave expires, to receive the salary the employee received at the time the leave of absence was granted, provided that the department budgeted for the employee's Position. If the department's budget cannot accommodate the salary, the employee shall be eligible to have the salary received at the time the leave started restored at the earliest possible date. In all cases, the department shall provide the County Comptroller with the names of any employees on leave of absence.

Employees shall be returned to work in accordance with the provisions in Rule 12.

(b) **Maternity/Paternity Absence**

Employees shall be granted maternity or paternity leaves of absence to cover periods of pregnancy, postpartum childcare, adoption of a child and placement of a child in foster care. FMLA shall run concurrently with maternity or paternity leave. FMLA eligibility is not a precondition to maternity/paternity leave.

Employees need not exhaust all accrued vacation or sick time before going on maternity/paternity leave but may apply such accrued time to the leave. Such leave, in general, shall not exceed six months, but may be renewed by the Department Head. The following rules shall apply:

1. An employee requiring maternity/paternity leave shall, no later than 30 calendar days before the expected date of delivery, request such leave through the Cook County Time and Attendance System and upload supporting documents signed by a physician, indicating the expected date of delivery.
2. A pregnant employee may continue to perform their job duties until otherwise advised in writing by their physician. The employee shall provide such document to the Leave Coordinator and accordingly, notify their supervisor.
3. An employee returning to work from maternity leave shall be eligible for reinstatement as soon as their physician deems the employee able to assume their job duties. Prior to reporting to their work location, the employee shall bring to the BHR Personnel Services Division, a written statement from their physician indicating that they are capable of resuming their duties.
4. The reinstatement rights of an employee returning from maternity/paternity leave will be identical to those of an employee returning from an ordinary disability leave, as defined by the Cook County Annuity and Benefit Fund.
5. An employee returning to a safety sensitive Position following a leave of absence of 30 consecutive calendar days or more shall be subject to a drug and/or alcohol test.

(c) **Family and Medical Leave (FMLA)**

The Family and Medical Leave Act (“FMLA”) provides eligible employees up to twelve (12) work weeks of unpaid leave for certain family and medical reasons during a rolling twelve-month period, and provides other eligible employees up to 26 weeks of unpaid leave in a single 12-month period to care for a covered service member with a serious injury or illness. Employees on FMLA leave are entitled to group health plan coverage on the same terms as if they continued to work.

At the conclusion of the leave, subject to some exceptions, an employee generally has a right to return to the same or an equivalent Position. All terms in this section

are used in accordance with the definitions set out in the County's FMLA Policy. An eligible employee may be entitled to FMLA leave for one of the following reasons:

1. Due to the birth of a child of the employee and to care for the child
2. Due to the placement of a child for adoption or foster care;
3. In order to care for employee's spouse, child or parent who has a serious health condition;
4. Due to the employee's serious health condition that renders the employee unable to perform the functions of the employee's job;
5. Due to any qualifying exigency arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces.

An eligible employee is entitled to a total of 26 work weeks of unpaid leave in a 12-month period if the employee is the spouse, son, daughter, parent or next of kin of a member or veteran within the last five years of the United States Armed Forces who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness, and the eligible employee is required to care for the service member. An employee's combined leave total may not exceed 26 work weeks in a 12-month period.

An eligible employee may take Family Medical Leave on a continuous, intermittent or reduced schedule basis. If the need for FMLA leave is foreseeable, the employee must provide the BHR Leave Coordinator 30 days' advance notice of the leave. When the need is not foreseeable, the employee must provide the BHR Leave Coordinator notice of the intention to take leave as soon as is reasonable and practicable.

Employees and their physicians must provide sufficient certification supporting the need for the leave to the Leave Coordinator. Necessary Form(s) may be obtained from the Leave Coordinator. Employees are required to have a physician submit FMLA recertification documents of the type or duration of leave changes. Employees may use approved FMLA leave only for the purpose(s) set forth in the approved request(s). Employees must file additional requests to cover other applicable family and medical situations.

Employees on FMLA leave will be required to use at least half of their sick, compensatory, and vacation time, in this order, as of the first date of absence, before taking any unpaid leave. Employees may opt to use more than the required

half of each accrued leave bank in order to be compensated while on leave. Any portion of the FMLA leave to which accrued leave is not applied will be without pay, unless the employee is eligible for holiday pay. For more information, please see the County's Family and Medical Leave Act Policy.

(d) **Family Military Leave (Non-FMLA)**

An eligible employee who has exhausted all vacation leave, personal leave, compensatory leave and any other leave granted to the employee, except sick and disability leave, may take up to 30 days of unpaid Family Military Leave due to the employee's spouse or child being called to military service. The number of days of leave provided under the Illinois Family Military Leave Act will be reduced by the number of days of Qualifying Exigency Leave provided under the Family Medical Leave Act ("FMLA"), further detailed in the County's FMLA Policy. Employees should contact the Human Resources Leave Coordinator with questions pertaining to Family Military Service Leave.

(e) **Victims' Economic Security and Safety Act (VESSA)**

An employee who is a victim of domestic or sexual violence (sexual assault or stalking) or an employee who has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence may be eligible to take VESSA leave from the first day of employment if the employee or employee's family or household member is experiencing an incident of domestic or sexual violence or to address domestic or sexual violence as provided in the County's VESSA Leave Policy. Employees seeking VESSA leave should notify the BHR Leave Coordinator at least forty-eight (48) hours in advance of taking VESSA leave, unless such notice is not practicable. If such notice is not practicable, then the employee must provide notice of VESSA leave within a reasonable time period.

Employees may request VESSA leave through the Cook County Time and Attendance (CCT) System or by submitting a completed VESSA Leave Request Form to the BHR Leave Coordinator. The employee must provide proper certification and supporting documentation to the BHR Leave Coordinator. Failure to provide proper certification and documentation may result in delay or denial of leave. For more information, please see the County's Victims' Economic Security and Safety Act Leave Policy.

6.4 **DISABILITY PROVISIONS**

Employees should contact the Cook County Annuity and Benefit Fund (“Fund”) to obtain an application, benefit information, eligibility rules and other documentation pertaining to ordinary or duty-related disability.

(a) **Ordinary Disability**

Ordinary disability is the result of injury or illness due to any cause other than that incurred in the performance of an act of duty. Employees seeking ordinary disability benefits are required to use all accrued paid leave (sick, personal and vacation) before any disability payment can be made by the Fund.

Employees must also inform their supervisors and department heads of their intention to apply for disability, as well as the length and terms of any benefits granted by the Fund. Employees must notify their department heads of their readiness to return to work before the termination dates of their disability leaves. In all cases, employees must notify their department heads within one business day after being released for duty by a physician or the expiration of benefits, whichever comes first.

An employee who is on official disability leave and returns to work within 60 calendar days after disability leave is terminated shall be eligible to receive the salary paid at the time disability leave started, provided the budget of the department can accommodate the salary and, if not, the employee shall be eligible to have the salary received at the time disability leave started restored at the earliest possible date.

(b) **Duty-Related Disability**

Duty-related disability results from injury or illness that arises out of and in the course of employment and in accordance with the Illinois Worker’s Compensation Act, 820 ILCS 305, *et seq.*

1. It is the responsibility of injured employees to report any injury, regardless of severity, as soon as possible to their supervisor. The responding supervisor should ensure that the employee is provided with the appropriate medical response to the injury. The supervisor may, depending on the nature of the injury, request outside medical response to the situation. Once the injured employee provides verbal notice, the supervisor or manager is responsible for reporting the claim to the Department of Risk Management.
2. Cook County Department of Risk Management is responsible for the administration and payment of Worker’s Compensation benefits for injuries or illness sustained in the course and scope of employment with Cook County. The

Department of Risk Management performs these duties in accordance with the Illinois Workers' Compensation Act.

3. The injured worker is required to cooperate with the Department of Risk Management and at a minimum, must provide written medical updates within 24 hours of any evaluation and updated medical information and work restrictions every 30 days or as otherwise requested. The work restrictions should be shared with the employing department, and the employing department should make an effort to provide modified duty as outlined in the work restrictions.
4. Any employee who is off duty and receiving supplemental temporary total disability may be eligible to receive duty disability benefits as provided under the provisions of the Cook County Employees Annuity and Disability Fund. Separate application must be made with the Fund.
5. No employee shall return to duty after having been carried on supplemental temporary total disability or on temporary total disability compensation without a physician's approval to return to work and authorization from Cook County.
6. Employees on approved duty-disability leave will accrue paid time off in the same manner as afforded in the normal course of County Employment.

6.5 MAINTENANCE OF RECORDS

- (a) The Cook County Bureau of Human Resources shall maintain leave records for employees under the jurisdiction of the President of the Cook County Board of Commissioners.
- (b) Respective elected officials and/or Departments/Bureaus shall maintain leave records for employees not under the jurisdiction of the President of the Cook County Board of Commissioners.

6.6 DUTY TO INFORM

Employees must inform their Supervisors and the Leave Coordinator of their intention to go on leave in accordance with the notice provisions contained herein. Before departure, employees must provide the Supervisor with a current address and telephone number and maintain current contact information while on leave. In addition, Supervisors may require employees to report in on a reasonable periodic basis. Employees who wish to extend a leave must so inform the Supervisor and Leave Coordinator at least thirty (30) days before the scheduled return date, unless a medical emergency precludes such notice.

Employees must contact their Supervisors and the BHR Personnel Services Unit at least two weeks before returning from leave and complete all processing, including medical examinations, if applicable, before they can return to work. Failure to comply with these provisions may lead to disciplinary action, delays in reporting and/or forfeiture of pay.

If two or more Career Service employees have the same seniority, the Department Head shall determine the order of layoff based on job-related factors. In cases where an employee was promoted to a new Position, the employee's prior years of service with Cook County shall be included when calculating seniority for purposes of Layoff.

Employees who have been notified that their Positions will be laid off may apply for any posted Position(s) for which they qualify and if selected, shall receive a salary within the range of the posted Position.

7.5 RECALL

The names of Career Service employees who are laid off shall be placed on appropriate lists, upon written application by the employee within 60 days after being laid off. Non-Career Service employees are employed “at will.” They may be disciplined or discharged at any time for any reason or no reason so long as the reason is not illegal under the law. Non- Career Service employees have no expectation of continued employment. Therefore, while the conduct rules set forth in Section 8.03 may be used as guidelines by supervisors in dealing with non-Career Service employees, and will be useful to such employees in conforming their conduct to County requirements, discipline is not limited to the reasons stated therein, nor are the hearing and progressive discipline procedures applicable.
- (b) Disciplinary action is taken when an employee has committed an infraction of a County rule as specified in Rules of Conduct, or other behavior deemed unacceptable.

Progressive discipline is a systematic approach to correct unwanted behavior and deter its occurrence by administering disciplinary actions based upon various factors, including, but not limited to, the severity of the infraction, the number of times it has occurred, and the totality of the circumstances surrounding the misconduct. Cook County recommends the use of progressive and corrective discipline where appropriate. Cook County uses progressive discipline at its discretion and does not solely rely on this concept in every instance when taking disciplinary action. Examples of infractions that may not warrant reliance on progressive discipline include, but are not limited to:

1. The unlawful possession or unauthorized manufacture, distribution, dispensation, possession or use of a controlled substance, drug paraphernalia or alcohol while on duty, in County vehicles or on County premises, or while engaged in County activities.

1. Documentation of the employee's past conduct.
 2. Whether or not the employee was adequately warned and counseled of the consequences of their conduct.
 3. Length of service.
 4. Severity and circumstances of the particular offense.
 5. County practice in similar cases.
 6. Motives and reason for violating a rule.

 - (iii) Disciplinary action may only be appealed in accordance with the Grievance/Appeals Board Procedure or any applicable collective bargaining agreement.

No decision with respect to employee discipline may be based upon any Political Reasons or Factors as defined by the applicable Employment Plan.

8.4 PROCEDURE

(a) Pre-disciplinary Hearings

1. Except for probationary, at-will employees or other employees who are Exempt or otherwise exempt from provisions of these Rules or from Career Service, departments shall conduct a pre-disciplinary hearing for all employees for all rule violations that may lead to a suspension or discharge before imposing disciplinary actions. Pre-disciplinary hearings for union employees shall conform to the provisions of applicable collective bargaining agreements. Departments shall serve proper notice of the hearing upon the employee by hand delivery or postal mail. The notice shall set forth the date, time and place of the hearing, along with a recitation of the charges or nature of the alleged infractions, the policy or rule alleged to have been violated, and the possible disciplinary action that might be imposed should the charges be sustained.
2. The Independent Inspector General shall be notified in writing of the time and place of any pre-disciplinary hearing scheduled by a Department resulting from a sustained Office of the Independent Inspector General finding in order for the Independent Inspector General or the Independent Inspector General's designee to present any testimony or evidence regarding the Independent Inspector General's findings.
3. Departments should convene a hearing and impose disciplinary action as soon as practicable after the alleged infraction occurred or became known

to the Department. However, any challenge to the timing of the hearing will be deemed waived if the employee or the employee's representative requests a delay of the hearing or if the hearing is delayed due to the employee's unavailability or the Department's inability to effect service of the hearing notice. Should an employee fail to appear at a hearing after proper notice without a showing of good cause, that employee shall forfeit any right to appeal any disciplinary action imposed.

4. Employees are entitled to bring a representative to the hearing. If the employee is represented by a union, that union shall have the exclusive right of representation unless the employee expresses a desire for other representation in writing. Union employees are entitled to representation by duly elected or appointed union representation, or designated union counsel, but may not insist upon representation by a specific union official or steward.

(d) **Oral Reprimand:** An oral reprimand is given for an infraction for which there has been previous counseling, or for the first infraction of a minor nature. A Disciplinary Action Form documenting an oral reprimand may be considered in issuing subsequent discipline for a period of one (1) calendar year.

(e) **Written Reprimand:** A written reprimand may be given when there has been previous disciplinary action, or for the first infraction of a more serious nature. A Disciplinary Action Form documenting a written reprimand may be considered in issuing subsequent discipline for a period of one (1) calendar year.

(f) **Suspension:** Suspension may be given where there has been previous disciplinary action or for the first infraction of a more serious nature. A Disciplinary Action Form documenting a suspension may be considered in issuing subsequent discipline for a period of four (4) calendar years.

For Career Service employees not covered by a collective bargaining agreement, suspensions exceeding 10 workdays shall be in conformance with the procedure under the following section concerning **Discharge**, paragraph 3 (Employees not Covered by a Collective Bargaining Agreement).

(g) **Discharge**

1. Discharge is invoked for just cause, which is defined as conduct that is so serious in nature or extent that it justifies terminating the employment relationship. Just cause includes, but is not limited to the following:
 - (i) Repetition of the same or similar infractions, or a combination of infractions of the Rules of Conduct for which there has been progressive disciplinary action. An employee who has been previously suspended may be subject to discharge for the next offense.

 - (ii) After hearing all the evidence and the employee's response, either at the end of the conference or no later than seven (7) calendar days following the conference, the Department Head/Designee makes a determination concerning one of the following:
 - The employee is to be discharged.
 - The employee is given lesser disciplinary action than discharge, or none at all, and the employee's personnel file reflects the decision.
 - (iii) The decision is directed to the employee in writing with copies distributed as is done with the Disciplinary Action Form.
3. Employees not Covered by a Collective Bargaining Agreement:

Discharge, demotion or suspension exceeding 10 work days for Career Service employees not covered by a collective bargaining agreement shall be in conformance with the following procedure:

- (i) In a conference with the employee, the Department Head/Designee responsible for making the decision concerning the discipline to be issued shall provide a written statement of charges on which discipline is based, together with an explanation of the evidence supporting the charges.
- (ii) The employee may respond to the charges in writing within five (5) calendar days of the conference before disciplinary action is taken.
- (iii) The employee's response must be reviewed by the Department Head or Designee responsible for making the decision, provided that such designee may not be the person who initiated the charges against the employee.
- (iv) A determination of the disciplinary action to be taken, if any, will be made after review of all the evidence and the employee's response.
- (v) No Career Service employee may be discharged, demoted or suspended for more than 10 work days unless the statement of charges and any matters in support are first reviewed by the Chief or Agency Head of HR before the employee is notified of such action.

8.5 EMERGENCY SUSPENSION: An emergency suspension may be given prior to any step of disciplinary action when the presence of the employee is dangerous or will result in the disruption of operations and time is needed to conduct an investigation. Departments must report all emergency suspensions to the Chief of BHR. In no case shall an emergency suspension exceed 15 working days without the prior written approval of the Chief or Agency Head of HR. Emergency suspensions shall not be considered discipline.

8.6 REPRESENTATION: An employee may choose a representative at any step of disciplinary action, except as follows:

1. An employee may not be represented by the employee's Bureau Chief, Division/Department Head or Supervisor.

2. An employee may not be represented by any member of a Human Resources/Personnel Office staff.

The right to limit the number of representatives or participants at the discharge or suspension conference is reserved to the Department Head/Designee.

2. The BHR Chief shall then select a Hearing Officer to hear the grievance. The Hearing Officer will set a date for the appeal hearing within 30 days, and submit a written decision to the employee. The decision of the Hearing Officer is final.

written request therefor within (5) five calendar days of the effective date of discipline. An appeal shall not affect the effective date of discipline.

2. The Employee Appeals Board, any of its members, or a hearing officer appointed by the Board may administer oaths and secure by notice both the evidence and witnesses for the production of relevant books and papers.
3. All proceedings before the Employee Appeals Board, one of its members, or a hearing officer appointed by the Board shall be recorded.
4. Upon motion and good cause shown, the Employee Appeals Board may allow discovery by any method available in civil cases in the courts of the State of Illinois.

An employee whose discipline is not upheld shall receive full back pay for any period when the employee was off work, or serving in a lower Position, less any lesser disciplinary action imposed by the Board. Said employee shall be reinstated to the employee's previous Position as determined by the Board, or if no Position exists due to reorganization, to a like Position, upon notification of the Board's decision, or following such lesser discipline as may be imposed by the Board, as appropriate.
6. Nothing in this section limits the power of the department head or department head's designee to take disciplinary action against a subordinate pursuant to these rules.

13. Any continuances requested by the employee shall toll the time limitations set forth in this section.
14. If the time limitations provided for in this section are not met, the employee shall be entitled prospectively to the pay and benefits of the Position held before the imposition of the suspension or discharge, or in the case of a demotion, the difference in pay between the former and current Position, beginning with the first day after the failure to meet the time limit, pending decision of the Employee Appeals Board, but the employee shall have no right to be reinstated except by order of the Employee Appeals Board.
15. The Employee Appeals Board shall file a written report in all cases where a discharged, demoted or suspended employee becomes entitled to the compensation and benefits of the employee's former Position prospectively by reason of failure to meet a time limit. The report shall be filed with the Board of Commissioners within 21 days of the failure to meet a time limit, and shall contain the causes and circumstances of such failure.
16. No failure to meet a time limit shall deprive the Employee Appeals Board of jurisdiction.
